

Ring Central

❖ Project Scope and Website Specifications

➤ Introduction

- This website is about telling and explaining Halo lore from the games, books, and shows. New and old players can use the website to read and learn about the lore

➤ Purpose

- The purpose of the website is to tell and explain Halo lore to old and new fans. Also keep Halo fans up-to-date on all things Halo. This will help fans have a site where they can go to, to engage in Halo content.
